SUMMARY OF MEETING

COMMITTEE ON LEGAL SERVICES

February 10, 2006

The Committee on Legal Services met on Friday, February 10, 2006, at 8:17 a.m. in SCR 352. The following members were present:

Representative McGihon, Chair
Representative Carroll T.
Representative Hefley
Representative Marshall
Senator Dyer
Senator Groff

Representative McGihon called the meeting to order. She said the first order of business is Senate Bill 06-106.

Debbie Haskins, Senior Attorney, Office of Legislative Legal Services, testified before the Committee. She said the Committee has before it Senate Bill 06-106. The Committee is sitting as the Senate committee of reference on the bill today. You will sit again as the House committee of reference when the bill is in the House. The bill is drafted to postpone the automatic expiration of the rules that were adopted on or after November 1, 2004, and before November 1, 2005, with the exception of the rules that are listed specifically in the bill. Those are the rules that will expire as scheduled on May 15, 2006. They're in the bill because the Committee found that there was a conflict with the statute or the departments lacked statutory authority or exceeded statutory authority when they adopted the rules. That's the information about the bill. We did prepare a summary that explains each of the rule issues in the bill.

Representative Hefley said she wanted to make sure she understands the postponing of the rules. Ms. Haskins said the Committee is postponing the

expiration of the rules, or postponing the automatic expiration date in the "State Administrative Procedure Act".

8:20 a.m.

Seeing no further discussion or testimony, Representative Carroll moved Senate Bill 06-106 to the committee of the whole with a favorable recommendation. Representative Marshall seconded the motion. The motion passed on a 6-0 vote, Representative Carroll, Representative Hefley, Representative Marshall, Representative McGihon, Senator Dyer, and Senator Groff voting yes.

8:22 a.m.

The Committee adjourned.
